

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

I liked that we had people at each table brainstorming, from different backgrounds + experiences. It also was very valuable to have each table talk about their discussions

2. What did you learn from the Community Engagement process?

I learned there are many more concerns than I thought in town, more than just those the school is facing.

3. What are your expectations moving forward?

I hope there is some discussion, and some committees made so we can work to solve these problems.

1. Identify what you liked about the Community Engagement experience?

- *Sharing of ideas from a diverse group of committed community members.*
- *Interesting viewpoints.*

2. What did you learn from the Community Engagement process?

- *Crofton has a bright future but it's going to take some work to get there.*

3. What are your expectations moving forward?

- *Continued conversation.*
- *Planning.*
- *Action.*

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Hearing all of the good things about Crofton + ideas to make the school + community better.

2. What did you learn from the Community Engagement process?

That it is possible to improve things. Different ideas to improve education for the school + community involvements.

3. What are your expectations moving forward?

That people assist in moving forward + the process.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

It gave everyone a voice - It helped bring us together as a community.

2. What did you learn from the Community Engagement process?

Our kids love our community & want to come back.

3. What are your expectations moving forward?

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Communication is helpful to solve problems

2. What did you learn from the Community Engagement process?

Helping improve communication leads to problem solving

3. What are your expectations moving forward?

Come up with more ideas to solve problems and talk them out. Include more of the ~~community~~ business community

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

collaboration is always good

2. What did you learn from the Community Engagement process?

good ideas about what other school districts do.

3. What are your expectations moving forward?

to continue to provide our students with a quality education provided in a good environment.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

The meeting was well run, giving all a voice.

2. What did you learn from the Community Engagement process?

Members present felt a need for change and are willing to participate if needed.

3. What are your expectations moving forward?

Continued meetings, create committees made of both school and community members, look closely at elementary building as well as highschool facilities.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

2. What did you learn from the Community Engagement process?

Many people have valid concerns and desires for future changes to our school / community / facilities with very little concern for the impact of generating the necessary funds for such projects. Needs to be more concern for the viability of the tax payers or there will be no tax base to draw from.

3. What are your expectations moving forward?

Transparency from all our community governing boards.

1. Identify what you liked about the Community Engagement experience?

- The school has many positives to draw people here. The city needs to make it worth young people moving here

2. What did you learn from the Community Engagement process?

- Glad to see community involvement.

3. What are your expectations moving forward?

- continue to communicate plans about the future.
- CTE program expansion
- Wrestling Room

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Involvement of All tables - everyone spoke
Kept it low key -
Right on task -

2. What did you learn from the Community Engagement process?

We have the interest in the community, just need to
get Action going.

3. What are your expectations moving forward?

School board / Community / City working
together to build / Finance a shared building
for multiple functions. See Yankton HS. & SAC center.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

I liked the cross section of people not just rural or town. It is good to get a variety of ideas

2. What did you learn from the Community Engagement process?

That alot of people care about Crofton and the School

3. What are your expectations moving forward?

we expect that we will move forward and handle whatever comes up.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

The General population cares about the future of Crofton & it's school.

2. What did you learn from the Community Engagement process?

Many innovative ideas to improve the Crofton community

3. What are your expectations moving forward?

Positive

1. Identify what you liked about the Community Engagement experience?

I like that all stakeholder feedback is valued. There were lots of different ideas developed and shared.

2. What did you learn from the Community Engagement process?

There are many who want vibrancy in Crofton, at the same time there appears to be a body of folks who don't want change. "But..."

"It's always..." "Someone tried but..."

3. What are your expectations moving forward?

professional development for teachers.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Everyone had an opportunity to give their opinions.

Lots of great ideas were presented.

2. What did you learn from the Community Engagement process?

There are many people in the community who are willing to help make this an even better place to live in & enjoy.

3. What are your expectations moving forward?

Continued communications ~~to be~~
~~to be~~ among all of us.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Open to New Ideas,
Liked that Community & School work together
New Housing in town
Old Homes torn down

2. What did you learn from the Community Engagement process?

The need to work together
Like the Meet Idea, for school!

3. What are your expectations moving forward?

Lets get started, let nothing
stand in our way!

1. Identify what you liked about the Community Engagement experience?

Brings out a lot of different opinions.

2. What did you learn from the Community Engagement process?

3. What are your expectations moving forward?

1. Identify what you liked about the Community Engagement experience?

Collaboration

2. What did you learn from the Community Engagement process?

How interested people are in the school! Awesome

3. What are your expectations moving forward?

I am hoping that the school + community work together to improve school!

1. Identify what you liked about the Community Engagement experience?

liked the small group setting to discuss the questions.

Great ideas given

2. What did you learn from the Community Engagement process?

I learned so much ... can't even explain it all

3. What are your expectations moving forward?

I expect that we will make some progress!

1. Identify what you liked about the Community Engagement experience?

*Listening to others ideas
Good Brainstorming*

2. What did you learn from the Community Engagement process?

There is hope if we work together

3. What are your expectations moving forward?

Someone take charge!

1. Identify what you liked about the Community Engagement experience?

Good Cross Section of People -

2. What did you learn from the Community Engagement process?

WE HAVE A lot of POSITIVES
TO WORK WITH

3. What are your expectations moving forward?

Hope fully TO SEE SOME
of The IDEAS Put Into
Practice -

1. Identify what you liked about the Community Engagement experience?

- Positive
- good ideas.

2. What did you learn from the Community Engagement process?

3. What are your expectations moving forward?

To use these good ideas to make
future more positive.

CROFTON COMMUNITY EVALUATION

Great Meeting. and Lots of good information.
and input

2. What did you learn from the Community Engagement process? That there are a lot of people interested in the progress of our community

3. What are your expectations moving forward? Progress, Progress, Progress!

Many people are willing to participate and help, however everyone needs to be considered.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

It was nice to hear that many in the Community share the same concerns that our family does. and to be pressed to think about problems that we had never even thought of.

2. What did you learn from the Community Engagement process?

that every one is invested in our town's future and we are all willing to help for our children's and our town's future.

3. What are your expectations moving forward?

to see new facilities, and to have better community involvement to accomplish our goals

1. Identify what you liked about the Community Engagement experience?

Chance to bounce ideas & hear other
Points of View

2. What did you learn from the Community Engagement process?

We all want Crofton to be progressive
in community & school.

We focus too much on needs for
extracurriculars

3. What are your expectations moving forward?

Leave negative attitudes behind .

1. Identify what you liked about the Community Engagement experience?

The group thinking and talking. The ideas that came out of the tables.

2. What did you learn from the Community Engagement process?

It was great to see community and school work together in this process.

3. What are your expectations moving forward?

~~and~~ Looking forward to the community improving and see the school + community grow.

taking one day at a time and hoping for the best for our community and school

1. Identify what you liked about the Community Engagement experience?

variety of ideas + concerns

transp. of the whole process - everybody was involved

2. What did you learn from the Community Engagement process?

have a lot of work to do

3. What are your expectations moving forward?

plan of action in 6 months
something to happen before it is forgotten

1. Identify what you liked about the Community Engagement experience?

Everything! I loved hearing everyone's thoughts and wishes.

2. What did you learn from the Community Engagement process?

A lot of people wanting to move forward as a school district and as a community. Everyone has one common goal and that is to ~~to~~ make Crofton continue as it has and improve on that.

3. What are your expectations moving forward?

We need to search for grants, take advantage of the donations that were offered. Work with community to have available housing for families that want to move in.

1. Identify what you liked about the Community Engagement experience?

Yes we have good sports programs, but overwhelmingly all talk came back to the ultimate goal of quality education for the kids. Great ideas to develop the community as well, which will ultimately make kids want to return to this community after post-secondary education.

2. What did you learn from the Community Engagement process?

There are lots of possibilities for this community, we just need to invest the time and realize we are all here to achieve a common goal.

3. What are your expectations moving forward?

- Put the past behind us.
- Bring new developments to the community.
- Put students education first.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Brought out in the open

2. What did you learn from the Community Engagement process?

Ways to improve community
Way to raise money

3. What are your expectations moving forward?

Good takes money and planning

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Great start of communication.
Probably should be done more often.

2. What did you learn from the Community Engagement process?

Everybody wants the town to prosper & flourish.

3. What are your expectations moving forward?

Be Progressive. Get started -

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

~~Answer~~

Things were brought up that you never even thought about. Great ideas out there.

2. What did you learn from the Community Engagement process?

3. What are your expectations moving forward?

1. Identify what you liked about the Community Engagement experience?

It brought our whole community together to brainstorm how to work together with the schools

2. What did you learn from the Community Engagement process?

Potential is there!

3. What are your expectations moving forward?

crossing fingers that enough members will create needed changes/progress in our community

CROFTON COMMUNITY EVALUATION

It was interesting to hear everyone
outlook on what is to be done to
help the school and community

2. What did you learn from the Community Engagement process?

We learned we can never give
up and to work together

3. What are your expectations moving forward?

To learn how to work together and
to make our community and town grow.

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

It brings a collaboration of needs for our school and community.

2. What did you learn from the Community Engagement process?

I learned about some key issues needed in the community.

3. What are your expectations moving forward?

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

Its a great chance to get everyones ideas

2. What did you learn from the Community Engagement process?

I didn't realize that Housing was an issue

3. What are your expectations moving forward?

Hopefully more meetings to let people know what is happening and get everyones ideas

CROFTON COMMUNITY EVALUATION

1. Identify what you liked about the Community Engagement experience?

It initiates the process of moving Crofton in the right direction. We need to be more progressive about developing our town. We have many issues that people know about, but we don't have things in place to fix them.

2. What did you learn from the Community Engagement process?

We have a lot of support. A lot of people are willing to donate time/money/materials etc. to make Crofton great again!

3. What are your expectations moving forward?

We initiated the process. We need to continue meeting to make sure these things happen!
